Nutmeg & Clove's past decade has been an emotional rollercoaster, one we wouldn't have navigated without the unwavering support of incredible guests, dedicated brand partners, and cherished colleagues, both past and present.

Cheers to TEN years of meticulously crafting Singapore in every glass, and here's to TEN more filled with the same spirit!

COLIN CHIA

A stylized, handwritten signature in black ink, appearing to read 'Colin Chia', with a large, looping flourish above the name.

IN THIS TWIN STORY TIMELINE, WE RECOUNT SINGAPORE'S TOP MOMENTS AS WELL AS NUTMEG & CLOVE'S PAST DECADE THROUGH OUR VERY OWN LOCALLY INSPIRED COCKTAILS. IT'S DOUBLE THE FUN AS YOU HAVE TWO COCKTAILS, A SIGNATURE BESTSELLER OR A NEW CREATION, TO CHOOSE FROM EACH YEAR!

TEN YEARS

Whether it's your first time or 10th time, we are so happy you are here for our milestone anniversary. 10 years have passed, and each of those years along with innumerable ups and downs are commemorated over the next few pages, in tandem with Singapore's progress as well.

You'll discover what Nutmeg & Clove is all about, from name to philosophy, as well as our community that has supported and grown with us (from all over the world!). Taste each chapter by choosing from one of our unforgettable Singapore-centric classics, or the new signatures inspired by recent events, such as our 'Singapore winter', end of pandemic restrictions and the inscription of hawker culture as a UNESCO Intangible Heritage.

A warm and heartfelt

WELCOME

to
Nutmeg & Clove!

As we approach our 10th anniversary in 2024, I want to express our deepest gratitude for the unwavering support that has made this journey possible.

This year is particularly special as we introduce our new menu, aptly named "TEN", paying homage to the key moments that have shaped both Nutmeg & Clove and the vibrant tapestry of Singapore over the past decade. Each cocktail tells a story, weaving together flavours inspired by our rich history and the diverse culture that surrounds us. Our team has poured their creativity into crafting a menu that marries innovation with a nod to the cherished recipes that have been a part of our incredible adventure.

Thank you for being an integral part of our story. As we raise a toast to a decade of memories, delicious experiences, and the enduring spirit of Nutmeg & Clove, we look forward to creating many more together in the years to come.

Cheers to you all!

Singapore, 14 March 2014: The Singapore Women's Hall of Fame is launched by the Singapore Council of Women's Organisations. Among the honorees is Agnes Joaquim - the first recorded female in the world to breed a hybrid orchid in 1893. The Vanda Miss Joaquim was nominated Singapore's national flower in 1981.

A BAR WAS BORN

 17 Ann Siang Road

Founded by Marian Beke, Kae Yin and Colin Chia, Nutmeg & Clove was born in homage to the history of Singapore's spice trade. Its name was inspired by its original location in Ann Siang, which was the preeminent clove and nutmeg plantation in the 1800s. Born on Singapore's National Day, Colin had always wanted to open a bar to tell the stories of the Little Red Dot.

The first year passed by in a flash! Our very first Guest Shift featured Tokyo legends Ueno San aka Hidetsugu Ueno of Bar High Five, and Kishi San aka Hisahi Kishi of Star Bar. We bid farewell to Marian and Kae Yin who returned to London and Taiwan respectively to concentrate on their own projects. P.s. we were nominated for Best New Bar in the Singapore Bar Awards!

STILL ZOUK-ING AFTER ALL THESE YEAR

Singapore, 31 March 2017: Zouk Singapore was named the 4th best nightclub in the world by DJ Mag, in its annual Top 100 Clubs list. This was after its historic and only move in Dec 2016, from Jiak Kim Road to Clarke Quay after 25 years. Singapore's world-famous club was where we first learned to rave, and also had our fill of jugs of Long Island Tea - remember those times?

ACHIEVEMENTS UNLOCKED!

We made our debut on Asia's 50 Best Bars at #30 - a proud moment! It was also fitting that we launched the Flavours & Memories menu, which has since been the theme of all our menus. This led to an invitation by the Singapore Tourism Board to launch the Passion Made Possible campaign in London during London Cocktail Week, featuring our proudly Singaporean flavours.

BEYOND

Singapore, 1 January 2019: The Singapore Bicentennial marks the 200th anniversary of Thomas Stamford Raffles' arrival in Singapore, an island once called Temasek in Malay literature. As an official of the British East India Company, he established Singapore as a trading port, ushering in new opportunities in trade and commerce. We toast to Temasek and its changes (*ubah*) in our cocktail homage.

Survival of the Fittest

📍 8 Purvis Street

The last cocktail at Ann Siang Hill was served in March 2020 in line with the closure of F&B outlets due to Covid-19. When outlets with kitchens were allowed to reopen in July, Nutmeg packed up for good as it did not meet the requirements. Our staff operated a residency at good friend Chef Willin Low's restaurant Roketto for three months to sustain our team. Good news: Nutmeg & Clove reopened in December 2020 with a full cocktail and food program! This first food menu, of course, was consulted by Willin.

Era of Bottled Cocktails and Takeaways

The worst was not yet over. Multiple Covid-19 restrictions saw the implementation of group gatherings of no larger than two persons, and a period of no dining in at F&B outlets. Nutmeg rallied by introducing street events like the weekend market (known as pasar malam), irresistible food menus for takeaway and our best-selling bottled cocktails.
